Narrative: Second involved party is driving a yellow volkswagon. 229 is checking the area.

Narrative: RP stated he was traveling west on RT 106 and was being "tailgated" by a yellow Volkswagen Beetle (2000's). The VW continued to tailgate him as they passed through the intersection of RT 106 and RT 28. At one point in front of the WBPD the RP stated the yellow VW attempted to pass his vehicle. Both vehicles stopped for a red light at the intersection of West Center St. and North Elm St. (Hocomock Plaza). The RP stated the operator of the yellow VW then exited his mv, walked up to the his drivers window and punched the window. The op. of the yellow VW then got back into his vehicle and continued traveling west on West Center St. RP reported no damage to his vehicle and did not want to pursue charges. RP did stated he did provide the plate information original E911 op. MSP. The plate information the RP provided was 61CZF1, which came back no matching records. RMV search for the VW utilizing the partial plate information was performed and produced negative results. A in-house search was also performed this to produced negative results.
