Narrative:

Received a call from a female party requesting a welfare check. CP's ex husband has custody of her daughter, however, she is supposed to have her on the weekends. CP stated that he will not answer her calls. CP does not know where the ex-husband lives in Town because he apparently just moved here. He is not listed in the Town Book or our in house system. CP contacted DCF and they informed her they would not give her the father's address because there were no exigent circumstances concerning the child's well being. I contacted DCF and was told the exact same thing. I was also told to inform her that she needed to take her complaint to the Probate Court. CP did not answer her phone and had a full mailbox that hangs up on the caller.
