

OFFICER JARED PERCIVAL- DATE OF HIRE 2/29/16

BACKGROUND: I graduated from West Bridgewater High School where I held the position as senior class president. Prior to becoming a Police Officer. I worked as a Pest Management Professional for about 5 years. I have recently enrolled in a Criminal Justice program with the plan to one day obtain my Master's degree.

HOBBIES: I enjoy fishing along with all other outdoor activities. I also enjoy spending time with friends and family.

HARDEST PART OF YOUR JOB: I think the hardest part about being a Police Officer is that we are constantly dealing with people at their lowest of lows or when they're having a bad day.

BEST PART OF YOUR JOB: In my opinion the best part about being a Police Officer is that you get to help people and make a positive impact on their lives.

WHY DID YOU DECIDE TO BECOME A POLICE OFFICER?: I chose to become a police officer so that I could make a difference in the town that I was raised in and that I love.
