

OFFICER RYAN WEBBY - DATE OF HIRE 2/29/16

BACKGROUND: I graduated from West Bridgewater High School, I was previously a financial consultant before becoming a police officer. I hold a bachelors degree in finance from Suffolk University.

HOBBIES: I enjoy football, basketball, and baseball. I've coached AAU basketball for the past 6 years.

HARDEST PART OF YOUR JOB?: The hardest thing about being a police officer for me is getting used to the shift hours and realizing there is still much to learn about the profession.

BEST PART OF YOUR JOB?: The best thing about being a police officer is that every day is different. Some shifts you get dispatched from call to call while other shifts you get to be on your own and find things going on in the town.

WHY DID YOU DECIDE TO BECOME A POLICE OFFICER?: I feel like my path to become a police officer wasn't necessarily traditional. I came from previous jobs where I would be on the phone or on the computer all day number crunching. As a police officer, I'm up close and personal helping someone directly or helping the public by getting a criminal off of the street. My day is what I make of it, if a supervisor doesn't give me a special job or task to complete then my shift is up to me to patrol as I see fit. I can go out and enforce traffic, investigate or follow up on different crimes that have happened within the town, or get dispatched to random type of calls. So far being a Police Officer has been great and I look forward to learning more as
