

SERGEANT CHRISTOPHER WERNER:

I grew up in West Bridgewater and graduated from WB JR-SR High School in 1991. I graduated from Bridgewater State College in 1996 with a degree in History. In October 1996, I was hired as a permanent Intermittent Police Officer by West Bridgewater. I was hired as Full Time in May, 1999. In February, 2004, I obtained my Masters Degree in Criminal Justice Administration from Western New England College, and in August, 2005, I was promoted to the rank of Sergeant.

Over the course of my career, I have worked all shifts, but I currently work as the patrol supervisor of the split shift, 4-12, 12-8. My current duties include being the firearms licensing officer, sex offender registration officer, 911/EMD auditing supervisor, and keeper of the records supervising officer. Past duties include alarm billing officer, breath test supervisor and instructor, and records officer. I am also the de-facto history expert on the West Bridgewater Police.

Hobbies:

I very much enjoy history and like reading and collecting historical items. I also enjoy international travel, having visited about 50 countries, and gone to just about every wonder of the world.

Hardest part of my job:

I am hardened to just about every incident after 22 years, but calls involving bad things with children bother me.

Best Part of my Job:

Meeting the town residents and getting to know the people in the town that I work for.
